

Multi-Compartment Packaging InsertSplitBox SL

Multi-compartment packaging system for carbide inserts - two-piece version with 5 individual detachable boxes

Material

→ base and cover in impact resistant ABS plastics

Product Range

→ cover in clear; base in gray or various attractive standard colors

Product features InsertSplitBox SL

- versatile packaging combining single unit with multiple packaging
- no packing and repacking of single units necessary
- separate highly transparent lids snap into each middle and end position and provides therefore additional protection during opening/closing
- cover slides open in either direction
- suitable for small lot sizes and equipping tool dispensers
- stackable due to the special guiding ridges
- suitable for automated loading, closing and labeling
- smooth top and bottom surface for labeling

Product Range: InsertSplitBox SL

Article	Number of units	Compartment design	Inner length of unit	Inner width of unit	Inner height	Packaging Unit
ISBSL 18x37x8.5/1	5	no compartment	37mm	18mm	8.5mm	500
